Guide to Scotch College Football

Welcome to the 1858 Club

Since its inception in 1997 the 1858 Club has been a driving force in the Scotch College Football community and the means through which parents, staff and Old Boys can contribute to the school's oldest and most popular representative sport. Indeed the famous 1858 Football match between Scotch and Melbourne Grammar is the oldest continuing sporting contest in Australia and has an important place in the history and culture of the schools.

The 1858 Club continues to support Scotch Football in many ways:

- Annual sponsorship of the 1st XVIII Training Camp
- Support for the school's biennial Development Squad tours to Darwin and the Tiwi Islands
- A Family Sausage Sizzle to welcome Year 7 students to Scotch Football
- Providing equipment and services to all Football teams
- The re-appointment of Chris Naish as a Specialist Development Coach for all teams to assist the school staff in their coaching strategies and methods.
- Provision of an ice-machine which supports the work of the Sports First Aid group each Saturday.
- Building links between Senior School and Junior School Football as well as between the school and the Old Scotch Collegians Football Club.

Getting Involved

The success of the 1858 Club depends on the support of parents during the season. Join us at our two main fund-raising functions - the "**Jeans and Jewels**" Dinner Dance on 22 June and the **Cordner Eggleston Cup Breakfast** on 18 July. In addition on match days there are roles for parents as goal-umpires, time-keepers and in generally assisting the coaching staff at matches.

For season 2002 the following parents have kindly agreed to co-ordinate parent involvement at each level

- Year 7 **John Rattray** (9509-5310)
- Year 8 **Mal Smith** (9885-6360)
- Year 9 **John Ainger** (9817-3713)
- Year 10 **Peter Oughtred** (9822-3183)
- Open **Mike Giulleri** (9882-0804)
- Bob Allen** (9804-0079)

Scotch College Football operates in the context of the APS sporting culture and our inter-school matches are aimed at encouraging the highest levels of sportsmanship and enjoyment. We hope that you enjoy the season and your participation in the 1858 Club.

An important innovation at Scotch has been the creation of Aussie 12s a derivative game from Australian Football which can enable even more Scotch boys to play Football against schools with limited numbers of footballers.

The 1858 Club Committee

The Old Scotch Collegians' Football Club - Established 1921

Since its formation the OSFC has had a proud history in the Victorian Amateur Football Association. It has the distinction of never having been below B Section and is currently closing on the record for the longest continuing presence in the prestigious A Section competition.

In 2002 the club is fielding four teams Seniors, Reserves, Under 19s and Under 17s (the Boroondara Cardinals). Its home ground is the Camberwell Sports Ground. The Boroondara Cardinals play in the Moorabbin Saints Junior Football League at 2.30 pm on Sunday afternoons. Many Scotch boys play in the team.
