Some Committee members are more involved in the Swimming season or the Water Polo season however the majority are involved throughout the year. In the swimming season the committee organizes the Opening Cocktail Party for Parents, sells swimming uniforms, goggles etc, organizes the end of season presentation night, fundraises, helps on the APS Swimming night and the after party.

During the Water polo season the committee organizes the Water Polo opening function, and the end of season presentation night. The Aquatics parents support group also has a stall at Family day.

I encourage parents to consider going on the committee. We do want representation at every year level and there are a number of parents leaving the committee this year.
