

welcome

The Scotch College Language & Culture Centre (SCLCC) is specifically designed for the teaching and learning of languages and their related cultures.

Teaching Focus

Language courses are designed to develop practical communication skills. Grammatical concepts are introduced where appropriate to the topic. Exploration of aspects of the culture of the language is an integral part of course study. Teachers are responsive to the students' particular needs and purpose for studying the language.

Features of the programme

- excellent teachers; qualified, experienced and friendly
- teaching methods which are fun, practical and responsive to the needs of the participants
- focus also on cultural aspects of the language
- small classes at all levels
