## The George Logie Smith Chamber Music Dinner and Concert

**Saturday, 10th August 2013**

In honour of George Logie-Smith OBE, Director of Music for Scotch College 1959-78, the event is part of the musical heritage of our wonderful school with the dinner planned around a program of chamber ensembles. Importantly, it provides our lads with the opportunity to develop performing skills which are critical for musical development. Put together a table of friends and family who will enjoy this evening of gifted performances.
